

Attention ALL 7th - 12th graders! Can you spare an hour and a half of your time each month? That's all the time required to be a part of SELCRA's New Teen Advisory Council (STAC)! All 7th - 12th grade students who live in the Greater Brighton Area are welcome!

PLAN TEEN EVENTS FOR BRIGHTON!

You will build your college resume, be a part of a fun group, and help your community! That's what STAC is all about. And BTW, rewards and shirts are given to members that have good attendance, are prepared, and show leadership!
